

## Merchandise Manager

Tuesday, 27 July 2010

A challenging and rewarding opportunity has just come up to join a well recognized and successful fashion company that provides a supportive and vibrant team environment....

REF: 2707ALC

- Auckland location
- Apparel experience essential
- Supportive management and team

A challenging and rewarding opportunity has just come up to join a well recognized and successful fashion company that provides a supportive and vibrant team environment. We are seeking an exceptional Merchandise Manager that has the experience and drive to succeed in this fantastic role.

Some of your key activities will include; maintaining and developing customer relationships, growing sales accounts, ensuring clients are well-informed on range and garment details, range development and sourcing product overseas.

With a strong grounding in apparel you are a strategic thinker with a good understanding of the fashion manufacturing path and use this to build a great rapport with clients and colleagues. You are familiar and competent in the off-shore production processes and your garment construction knowledge is excellent.

With your outstanding communication and account management skills you are a natural at negotiation and maintaining excellent working relationships. You will have your finger on the 'pulse' of the fashion market and can move quickly to identify new trends.

If you are looking for a challenging position and would like to know more in confidence please contact...
